Re: Letter of Recommendation for Dr. Carri L. Brown

Dear Honorable Commissioners:

Please accept this letter of recommendation to appoint Dr. Carri L. Brown to the position of Acting Fairfield County Auditor. As a former Domestic Relations Court Judge and Supervising Attorney with the Child Support Enforcement Agency, I have witnessed first-hand the energy and dedication Carri brings to public service. I have always appreciated her generosity and collaboration as she shared her knowledge and advice.

Carri is an exceptional leader with more than 35 years of experience, including positions at local, state, and federal agencies. She has unmatched communication, financial management, strategic planning, and leadership skills. She has an unwavering commitment to the public.

On a personal note, I have always appreciated the example she sets as a strong, successful woman who is kind, compassionate, and proficient – while being dedicated to her family and community.

Without reservation, I give my highest recommendation for Dr. Brown, and I respectfully encourage you to appoint her to the position of Acting County Auditor.

Sincerely,

Re: *Appointment of Dr. Carri L. Brown to Acting Fairfield County Auditor*

Dear Honorable Commissioners Davis, Fix, and Levacy:

Please accept this letter of support to appoint Dr. Carri L. Brown as the Acting Fairfield County Auditor upon the retirement of Jon Slater, Jr.

Fairfield County can have no better County Auditor than Carri Brown. I have had the pleasure of knowing Carri both personally and professionally for more than 35 years. I have always been impressed with her exceptional dedication to local government and with her personal attributes. She is a rare find in the public sector – and in the private sector.

As you know, I have been honored to serve on an interim basis as the Fairfield County Treasurer. Carri was very encouraging and helpful to me during those times. She shared her vast knowledge with me and with many others. She has an extraordinary work ethic and is a true leader.

Thank you for your consideration in appointing Carri to the position of Acting County Auditor. I hope you and the Republican Central Committee take this step because I believe it is best for Fairfield County.

Best regards,

David O. Jones
